MACDONNELL COUNCIL CODE OF CONDUCT

ITEM NUMBER	4.1
TITLE	MacDonnell Council Code of Conduct

**EXECUTIVE SUMMARY:**

This report contains all of the details about the MacDonnell Council Code of Conduct Policy.

RECOMMENDATION

That the Titjikala Local Authority note the Council Code of Conduct.

MacDonnell Regional Council Code of Conduct**Interests of the Council and Community come first**

A member must act in the best interests of the community, its outstations and the Council.

Honesty

A member must be honest and act the right way (with integrity) when performing official duties.

Taking care

A member must be careful to make good decisions (diligence), and must not be under the influence of alcohol or illegal drugs, when performing official duties.

Respect/Courtesy

A member must be respectful to other members, council staff, constituents and members of the public.

Conduct towards council staff

A member must not direct, reprimand, or interfere in the management of council staff.

Respect for culture

A member must respect different cultures, families and language groups (cultural diversity) and not be unfair towards others, or the opinions of others, because of their background.

Conflict of interest

A member must, if possible, avoid conflict of interest between the member's private interests (family, other job, business etc.) and duties.

Where a conflict exists, the member must inform the Council, Local Authority or Council Committee and not take part in the discussion or vote.

Respect for private business

A member must not share private (confidential) information that they heard as a member, outside of meetings.

A member must not make improper use of confidential information to gain a benefit or to

cause harm to another.

Gifts

A member must not ask for or encourage gifts or private benefits from anyone who might want to do business with or obtain a benefit from Council.

Accountable

A member must be able to show that they have made good decisions for the community, and have allocated the Council's resources carefully and to benefit the region.

Failure to comply with this Code of Conduct may result in disciplinary action.

ISSUES/OPTIONS/CONSEQUENCES

The Code of Conduct Policy helps Council to ensure that the:

- MacDonnell Regional Council (MRC) exercises strong and accountable governance;
- constituents of MRC are aware of the behaviours they can expect from members.

CONFLICTS OF INTEREST

ITEM NUMBER	4.2
TITLE	Conflict of Interests

**EXECUTIVE SUMMARY:**

This report outlines the minimum standard of behaviour expected of the Local Authority in relation to declaring personal or family financial interests that may impact on the performance of their roles and ability to make objective decisions.

RECOMMENDATION

That the Titjikala Local Authority note the Conflict of Interest Policy and declare any conflicts either now or as they arise.

BACKGROUND

Conflicts of interest arise when members are influenced, or appear to be influenced, by personal interests when doing their jobs. The perception of a conflict of interest – the way it seems to the public - can be as damaging as an actual conflict, because it undermines public confidence in the integrity and fairness of MacDonnell Regional Council (MRC).

Under the *Local Government Act*, not declaring a conflict of interest or improperly disclosing information can lead to imprisonment.

Examples of conflicts of interest and improper disclosure of information:

Tendering and Purchasing – financial conflict of interest

- Example: Council has advertised for a contractor for irrigation of a football oval. A member is employed by a company which has tendered for the contract. This may affect, or it may reasonably be suspected that it could affect, their ability to make an unbiased or fair decision when the contract choice is considered by Council.

Tendering and Purchasing – non-financial conflict of interest

- Example: A contractor tendering for a Council contract for road works offers to seal the road to a member's house. The member would not be seen as impartial or fair when choosing the contractor for the job.

Information and Opportunities

- Example: a member may know a lot of information about tenders for contracts coming up in the MRC area before the tenders are made public. Conflicts can arise if the member gives this information to a friend or relative working for a company so they can have a better chance of winning the contract.

Undue Influence

- Example: a member tries to pressure a hotel in Alice Springs into providing free accommodation, because they are a member of Council.

Declaring a Conflict of Interest

As soon as practical after a member becomes aware of a conflict of interest in a matter that has come up or is about to come up before or during a meeting (council, local authority or

council committee), the member must disclose or tell the relevant interest to the meeting and to the Chief Executive Officer (CEO) of MRC.

Details of members' interests and the nature of those interests will be recorded in the relevant Register of Interests published on the Council's website and to be available for any member of the public to look over at the Council's public office.

In addition, if a member enters into a personal or business relationship with another member or Council employee that could result in a conflict of interest, then this relationship must be reported to the President and CEO. A file note will be made and recorded on the relevant Register of Interests.

Uncertainty about whether a conflict of interest exists or not

If a member is unsure whether or not they have a conflict of interest, they should give full details to the CEO or seek independent legal advice.

The CEO does not have a responsibility to decide whether or not a member has a conflict of interest in a matter. The responsibility for determining whether a member has a conflict of interest is up to the individual member.

If you do have a Conflict of Interest

After a member has disclosed the nature of the interest, the member must not, without approval from the Minister:

- be present during any discussion of the meeting when the matter is being discussed
- take part in any decision related to the matter
- Influence another member in their decision.

Members will not become involved in the promotion or endorsement of products and/or services unless this has been approved in line with Council's policies and Code of Conduct.

Complaints Regarding Failure to Disclose an Interest

Any person may make a complaint that a member has or may have failed to disclose or tell of a conflict of interest. All complaints should be directed to the MRC CEO.

ISSUES/OPTIONS/CONSEQUENCES

The Disclosure of Interests Policy helps Council to ensure that:

- the business of Council is conducted with efficiency, fairness, and integrity; and
- members act in the best interests of Council and do not seek personal or family gain when performing their duties or use their public office for personal gain.

EXECUTIVE SUMMARY:

This report provides a running list of Local Authority action items as reported in previous meetings.

RECOMMENDATION

That the Local Authority note the progress reports on actions from the minutes of previous meetings as received.

BACKGROUND

This report gives the Local Authority an opportunity to check that actions from previous meetings are being implemented.

Action Item- Workshop Shade (raised on 23/11/2016)**Summary of action item:**

That the Local Authority request that Council erect a shade structure over the concrete slab outside the workshop.

This work has not been planned or budgeted for. MRC Tech services will complete some preliminary design and costings for future capital planning.

Update: Preliminary work has been completed and a cost of approximately \$40,000 has been established for future capital planning. Work will not proceed at this stage but we will attempt to include it in future capital budgets. Recommend close.

Action Item- Alice Well Outstation (raised on 23/11/2016)**Summary of action item:**

That the Local Authority request Council write a letter on their behalf stating the Local Authority's support for the reinstatement of funding for Alice Well outstation.

Update: MRC has received the new funding agreement to deliver MES/HMS services to Outstations in the Council Region. Alice well Outstation has had funding reinstated for the delivery of these services from 01/07/17. Recommend close.

Action Item- Fencing around Telstra tower (raised on 9/3/2017)**Summary of action item:**

That the Local Authority request the Centre for Appropriate Technology (CAT) ask Telstra to assess the safety of the fencing around the mobile phone tower.

Communication Director from CAT's Dept. of Corporate and Information Services said the feedback has been provided to Telstra and he will follow up.

Update: Awaiting update from Telstra – will report back at the November LAM

Action Item- Caravan (raised on 6/4/2017)**Summary of action item:**

The LA committee: instruct Catholic Care utilise the caravan that is at the tourist precinct and move it to the men's shed for training of community members; Request Council follow up with Catholic Care regarding using the Caravan at the tourist precinct as a training room shed; Authorise up to \$10,000 for the installation of the commentary box at the football oval using an existing council container; Request Council have a design completed in consultation with Catholic Care to be authorised by Local Authority members Philip Wilyuka and Douglas Wells.

Goal 01: Developing Communities

Goal 02: Liveable Communities

Goal 03: Engaged Communities

EXECUTIVE SUMMARY:

The Local Authority agreed at their Provisional Meeting on 9 March 2017 to confirm their Local Authority Project Funds spending decisions during a Special Meeting to be held on 6 April 2017.

Separately, Local Authorities receive \$4,000 annually from Council for use on community beneficial projects chosen by the LAs.

RECOMMENDATION

That the Local Authority note and accept the progress of their LA projects.

BACKGROUND/DISCUSSION

At their meeting on 11 May 2017, the LA made the following further decision (in italics) regarding Project Funds:

- a) Commentary Box at the football oval: *only allocate \$10,000 to this project instead of the original agreed \$15,000.*

Update: Verbal update to be given at meeting.

- b) Rest area for visitors (tourists, families etc) at the entrance to the community, including bins, shade structure, table and chairs, bollards, signage (\$15,000). It was decided at the special meeting that the bare dirt area between the basketball court and the nearest house on Lot 29 be utilised for a visitor car parking area; and that a 6x6 metre shade structure and table and chairs be placed at the area just behind the shop to entice visitors to the art centre and the shop.

Update: Completed

- c) Materials for bollards and chains near the store – earlier reported complete.

At their meeting on 11 May 2017, the LA allocated its remaining \$2,509 in Discretionary Funds to the MRC Youth Program at Titjikala to buy food from the community store for overnight trips, activities and excursions.

Update: Verbal update to be given at meeting.

ISSUES/OPTIONS/CONSEQUENCES

The Local Authority is responsible for consulting with community members to ensure that community priorities are taken into account when allocating project funds.

FINANCIAL IMPACT AND TIMING

Funds from the grant have two years from the date of issue to be acquitted (i.e. 1 July 2016 until 30 June 2018).

**EXECUTIVE SUMMARY:**

This report is a summary of achievements relating to Key Council Service Delivery standards and guidelines in Titjikala, and documents any other relevant issues.

RECOMMENDATION:

That the Local Authority note and accept the Service Delivery Report.

Key Council Services Achievements and Relevant Issues**Animal Management**

(Note the last visit by the Council Vet and provide details of any other relevant issues relating to Animal Management. Insert 1-2 relevant photos, if you have any.)

- On the 24-25/05/2017 the vets visited the community and were very pleased with the high standard of animal health shown in the community. Some dogs were spayed and castrated and a high number were treated for internal and external parasites. There were no dogs or cats euthanased. 3 Male pigs were euthanased with the permission of the owner
- On the 26/05/2017 the vets visited the Outstations and were very complimentary of the high standard of compliance and animal welfare.

Cemetery Management

(Note any recent burials since the last report was prepared and provide details of any other relevant issues relating to Cemetery Management. Insert 1-2 relevant photos, if you have any.)

- There were no funerals in this reporting period.
- Weeds have been removed a number of times and the gates are kept shut to keep the cattle out.

Parks and Open Spaces

(Note any achievements since the last report was prepared and provide details of any other relevant issues relating to Parks and Open Spaces. Insert 1-2 relevant photos, if you have any)

- The Community has still to decide on a name for the south park area
- We are still waiting on approval from CLC to build the shade shelter at the toilet block near the football oval, despite numerous attempts to contact them to discuss the issue
- Trees have been planted in the office area and the cemetery and are at present being watered 3 times a week.
- The other planted trees around the community are being watered once a week and are doing well.
- Solar lights have been erected in the two park areas and are functioning well, some final adjustments need to be made to them as we are waiting on the backhoe to be repaired.

Sports Grounds

(Note any achievements since the last report was prepared and provide details of any other relevant issues relating to Parks and Open Spaces. Insert 1-2 relevant photos, if you have any)

- The contractors S&R are to remove the container from the council yard and transport it to the mens shed where Catholic Care will construct a spectators box from it and erect it on site at the sports ground.

Waste Management

(Note any achievements since the last report was prepared and provide details of any other relevant issues relating to Waste Management. Insert 1-2 relevant photos, if you have any)

- The waste management depot is locked every day all day due to the fact that children are still playing in the waste area. It is to the best of my knowledge that all waste management areas must be locked to the public by law.
- People are still taking tyres that are being used by the council for water mitigation works to make a compliant waste management depot. These tyres are unsafe for the use on cars
- There have been some complaints that the children were playing with contaminated medical found near the depot. If at any time people need to have waste removed outside the normal 2 waste pickups per week then they only need see myself , Doug, Karl or Alex and the tip can be opened for a special purpose, as access will always be available during work hours via council staff. There is no excuse for the dumping of dangerous material that can harm the children or worse.

Other Relevant Matters

(Note any other matters of relevance, if applicable)

- Community members are still entering the council workshop area to change and blow up tyres. This is very dangerous and not necessary as there is the provision to change tyres and blow them up from outside the compound. There are ample signs to state no entry etc.
- The Civil team have been working very hard to get their workshop area WH&S compliant and need to be commended for a fantastic effort.
- The Contractors camp has had the arrival of the new bunkhouse with 4 bedrooms, this is fantastic as for a long time Titjikala has struggled to provide enough accommodation to Council staff and outside entities which has resulted in a loss of extra income revenue

Outstation MES Services

- The council grader has done some of the outstation roads. Outstation roads that have not been done will be scheduled to be done in June 2018. This has come about due to lack of accommodation in Titjikala
- Following an accident at an Outstation bore two major bore motors are now deemed to not be WH&S compliant so we are awaiting the funding approval of a solar motor and a diesel motor at these two bores.

CHILDREN'S SERVICES**Service Delivery and Engagement**

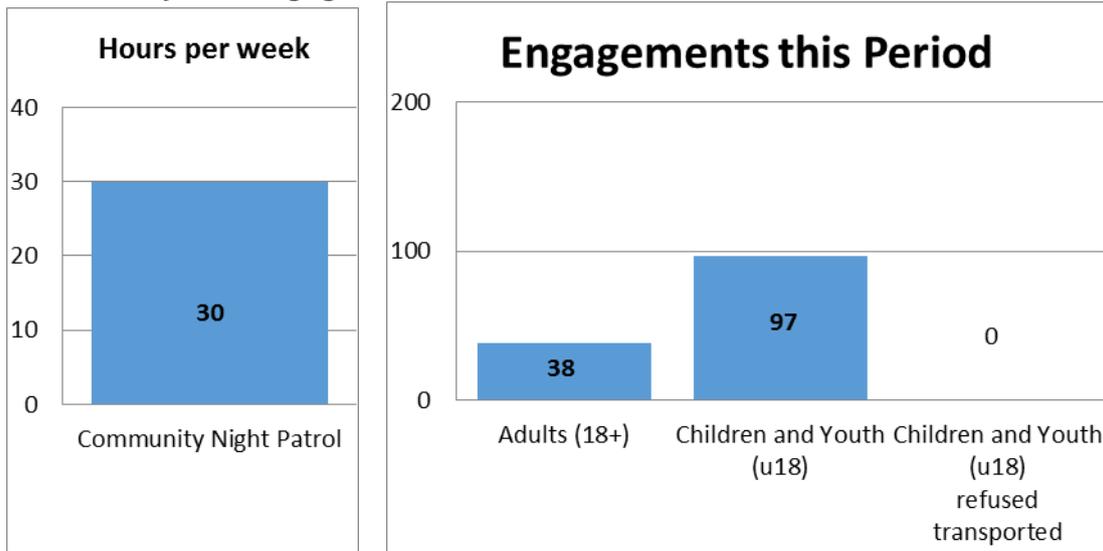

- Both the Early Learning and the Outside School Hours Care programs fully delivered without disruption during this period.
- Early learning participation continues to be low due to a low number of children in this age group being in community.

Other Updates

- New resources were purchased and the educators and children are now enjoying using the resources to extend learning experiences.
- Families participated in the Yamba Litter activity during the school holidays and it was enjoyed by all.

COMMUNITY SAFETY

Service Delivery and Engagement

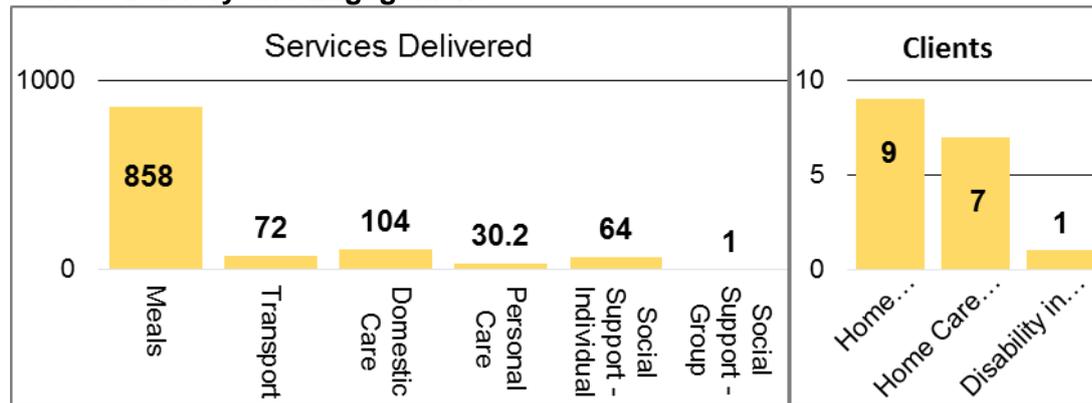

- Night Patrol services fully delivered this reporting period

Other Updates

- Peter Stowers has taken over from Roslyn Forrester as the new Community Safety Coordinator.
- Three Community Safety staff members supported Finke Community during their sports weekend.

HOME CARE**Service Delivery and Engagement**

- Up to 27 clients are accessing School Nutrition Program (SNP) and receiving breakfast, morning tea and lunch.

Other Updates

- Charles Darwin University spent a week with the team delivering Certificate III in Individual Support training.

YOUTH SERVICES**Service Delivery and Service Engagement**

- The Titjikala Youth Program experienced four days of disruption due to staff attending in-house training.

Other Updates

- MacYouth Titjikala has conducted bush trips, painting workshops, basketball competitions, band practices, computer training, and held drop-in time after school.
- A Youth Board has been formed in Titjikala and young people are regularly attending meetings. The Youth board held a three day community event. The youth board assisted with the preparation and delivery of activities such as a soccer match for younger youth facilitated by older youth, a BBQ, painting of the basketball court in the Titjikala colours, and a youth led disco.
- All senior staff attended in-house training conducted by MacYouth staff and one team member attended Cert II Sport and Recreation. Both training sessions were held at Glen Helen.
- The Youth Team was supported by two members from Community Safety in conjunction with Tjilara Men's Movement. Community Safety staff facilitated taking 5 young men to Glen Helen for a three day camp geared at empowering young men through traditional tool making and story telling.
