MACDONNELL COUNCIL CODE OF CONDUCT

ITEM NUMBER 4.1
TITLE MacDonnell Council Code of Conduct

**SUMMARY:**

This report contains all of the details about the MacDonnell Council Code of Conduct Policy.

RECOMMENDATION

That the Papunya Local Authority note the Council Code of Conduct.

MacDonnell Regional Council Code of Conduct**Interests of the Council and Community come first**

A member must act in the best interests of the community, its outstations and the Council.

Honesty

A member must be honest and act the right way (with integrity) when performing official duties.

Taking care

A member must be careful to make good decisions (diligence), and must not be under the influence of alcohol or illegal drugs, when performing official duties.

Respect/Courtesy

A member must be respectful to other members, council staff, constituents and members of the public.

Conduct towards council staff

A member must not direct, reprimand, or interfere in the management of council staff.

Respect for culture

A member must respect different cultures, families and language groups (cultural diversity) and not be unfair towards others, or the opinions of others, because of their background.

Conflict of interest

A member must, if possible, avoid conflict of interest between the member's private interests (family, other job, business etc.) and duties.

Where a conflict exists, the member must inform the Council, Local Authority or Council Committee and not take part in the discussion or vote.

Respect for private business

A member must not share private (confidential) information that they heard as a member, outside of meetings.

A member must not make improper use of confidential information to gain a benefit or to

cause harm to another.

Gifts

A member must not ask for or encourage gifts or private benefits from anyone who might want to do business with or obtain a benefit from Council.

Accountable

A member must be able to show that they have made good decisions for the community, and have allocated the Council's resources carefully and to benefit the region.

Failure to comply with this Code of Conduct may result in disciplinary action.

ISSUES/OPTIONS/CONSEQUENCES

The Code of Conduct Policy helps Council to ensure that the:

- MacDonnell Regional Council (MRC) exercises strong and accountable governance;
- constituents of MRC are aware of the behaviours they can expect from members.

CONFLICTS OF INTEREST

ITEM NUMBER	4.2
TITLE	Conflict of Interests

SUMMARY:

This report outlines the minimum standard of behaviour expected of the Local Authority in relation to declaring personal or family financial interests that may impact on the performance of their roles and ability to make objective decisions.

RECOMMENDATION

That the Papunya Local Authority note the Conflict of Interest Policy and declare any conflicts either now or as they arise.

BACKGROUND

Conflicts of interest arise when members are influenced, or appear to be influenced, by personal interests when doing their jobs. The perception of a conflict of interest – the way it seems to the public - can be as damaging as an actual conflict, because it undermines public confidence in the integrity and fairness of MacDonnell Regional Council (MRC).

Under the *Local Government Act*, not declaring a conflict of interest or improperly disclosing information can lead to imprisonment.

Examples of conflicts of interest and improper disclosure of information:

Tendering and Purchasing – financial conflict of interest

- Example: Council has advertised for a contractor for irrigation of a football oval. A member is employed by a company which has tendered for the contract. This may affect, or it may reasonably be suspected that it could affect, their ability to make an unbiased or fair decision when the contract choice is considered by Council.

Tendering and Purchasing – non-financial conflict of interest

- Example: A contractor tendering for a Council contract for road works offers to seal the road to a member's house. The member would not be seen as impartial or fair when choosing the contractor for the job.

Information and Opportunities

- Example: a member may know a lot of information about tenders for contracts coming up in the MRC area before the tenders are made public. Conflicts can arise if the member gives this information to a friend or relative working for a company so they can have a better chance of winning the contract.

Undue Influence

- Example: a member tries to pressure a hotel in Alice Springs into providing free accommodation, because they are a member of Council.

Declaring a Conflict of Interest

As soon as practical after a member becomes aware of a conflict of interest in a matter that has come up or is about to come up before or during a meeting (council, local authority or

council committee), the member must disclose or tell the relevant interest to the meeting and to the Chief Executive Officer (CEO) of MRC.

Details of members' interests and the nature of those interests will be recorded in the relevant Register of Interests published on the Council's website and to be available for any member of the public to look over at the Council's public office.

In addition, if a member enters into a personal or business relationship with another member or Council employee that could result in a conflict of interest, then this relationship must be reported to the President and CEO. A file note will be made and recorded on the relevant Register of Interests.

Uncertainty about whether a conflict of interest exists or not

If a member is unsure whether or not they have a conflict of interest, they should give full details to the CEO or seek independent legal advice.

The CEO does not have a responsibility to decide whether or not a member has a conflict of interest in a matter. The responsibility for determining whether a member has a conflict of interest is up to the individual member.

If you do have a Conflict of Interest

After a member has disclosed the nature of the interest, the member must not, without approval from the Minister:

- be present during any discussion of the meeting when the matter is being discussed
- take part in any decision related to the matter
- Influence another member in their decision.

Members will not become involved in the promotion or endorsement of products and/or services unless this has been approved in line with Council's policies and Code of Conduct.

Complaints Regarding Failure to Disclose an Interest

Any person may make a complaint that a member has or may have failed to disclose or tell of a conflict of interest. All complaints should be directed to the MRC CEO.

ISSUES/OPTIONS/CONSEQUENCES

The Disclosure of Interests Policy helps Council to ensure that:

- the business of Council is conducted with efficiency, fairness, and integrity; and
- members act in the best interests of Council and do not seek personal or family gain when performing their duties or use their public office for personal gain.

ITEM NUMBER	7.2
TITLE	Community Services Papunya Local Authority Report
REFERENCE	- 175647
AUTHOR	Rohan Marks, Director Community Services

**SUMMARY:**

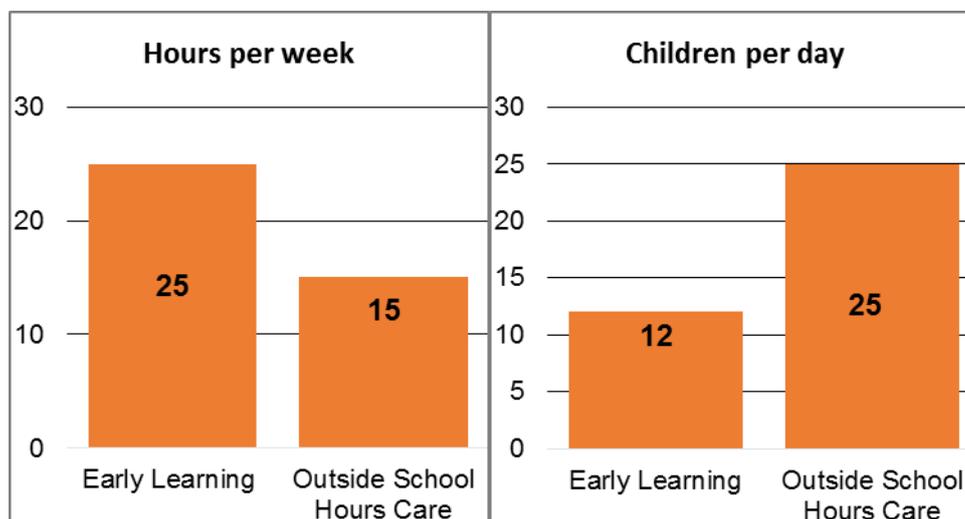

This report provides an update on Community Services program delivery.

RECOMMENDATION

That the Local Authority note and accept the Community Services report.

CHILDREN'S SERVICES**Service Delivery and Service Engagement**

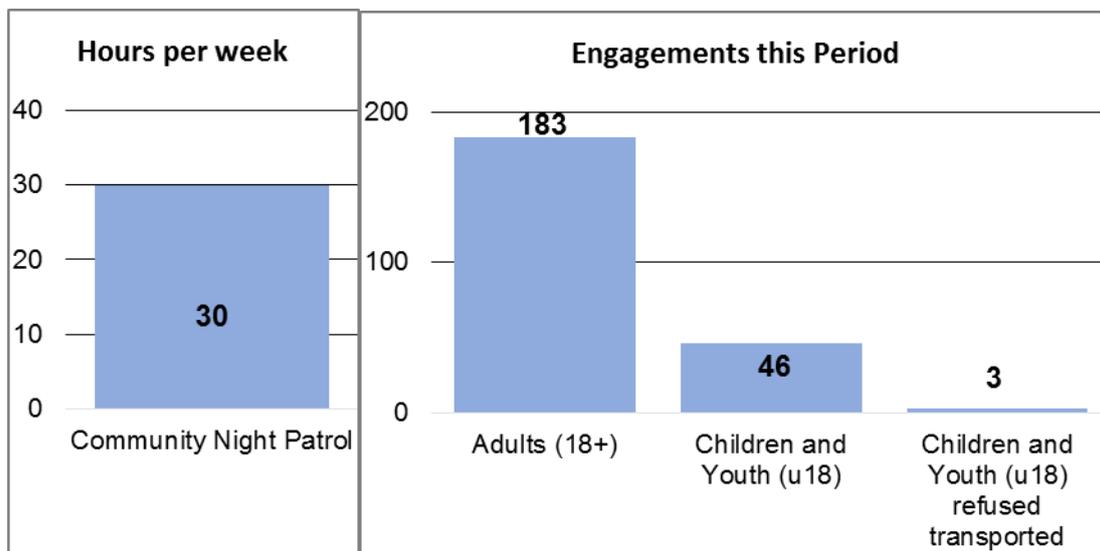

- Both the Early Learning and the Outside School Hours Care programs fully delivered without disruption during this period.
- The Team Leader resigned at the end of July due to family reasons. A new team leader has been appointed and will commence duties by the end of October.

**Other Updates**

- Educators and children are enjoying the new resources that were purchased to extend children's learning.
- Families participated in the Yamba litter performance during the school holidays and it was enjoyed by all.

COMMUNITY SAFETY**Service Delivery and Engagement**

- Night Patrol services only partially delivered this reporting period. Delivery disrupted due to staff absenteeism for cultural and bereavement reasons. Recruiting to be seen as a priority for this team.

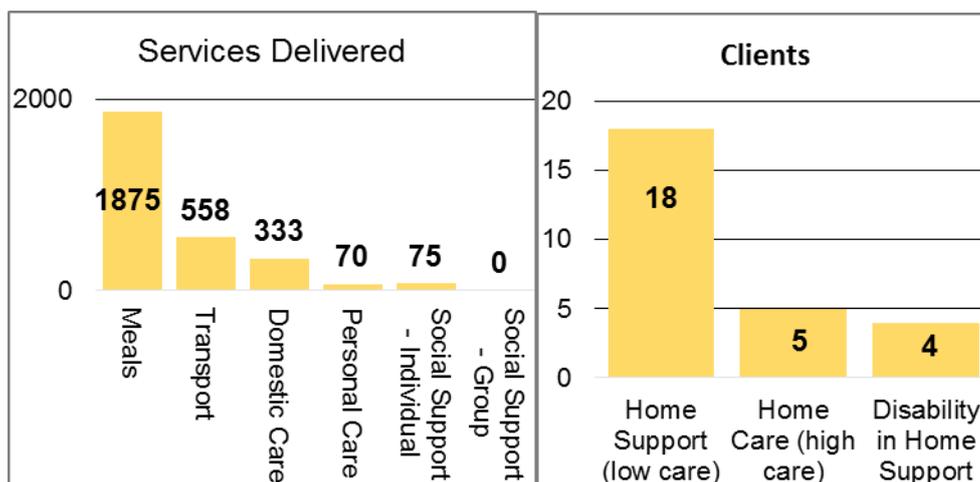

Other Updates

- Contact and operations conducted with police are not conducted on a regular basis. Relationship with police to be strengthened through joint facilitation of Community Safety meetings.
- Team leader to take more active role in uniting team members. Recruiting to be conducted during September in consultation with Local Authority to select best possible and accepted candidates for vacant positions.

HOME CARE

Service Delivery and Engagement

- This includes Meals, transport (when able), laundry and tablet reminders, and providing hampers for weekend. Aiming to add house cleaning, bush trips and social activities.

Other Updates

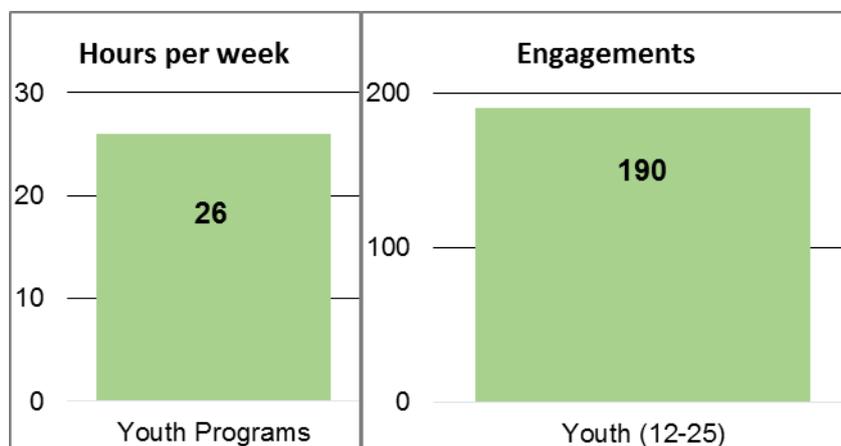

- Papunya is known to be a social hub for visitors from its location, meaning numbers fluctuate. Home care has a good stock pile of food but not enough fridge/freezer space. We have much interest in new potential clients, both Home Care and Disability, and are in need of a waiting list.

- We have had issues with staff attendance meaning service is at risk of faulting. This problem is being addressed in a structural manner. Have been lucky to have support from Civil, Childcare and Youth, however with such a high client base this is still a risk.
- We are currently working on a new hamper pack and menu.
- Various ongoing repairs to the Home Care building are continuing, installation of better laundry facilities.
- A Nutritionist/Dietician is visiting the Home Care centre late August.
- A replacement car for Home Care is in the works.

YOUTH SERVICES

Service Delivery and Engagement

- Due to the trip to Melbourne with Glen Iris football club, and then hosting the club in Papunya / Mt Liebig, normal services were disrupted between the period 19/6/17 – 11/7/17; a total of 10 days within this reporting period.

Other Updates

- The main programs offered in this reporting period were Wati Night, Kungka Night, Softball, Disco, Youth Board Meetings, Youth Board Activity and Bush Trips. These are programs we aim to offer consistently in Papunya to a degree that the Youth can expect and rely on them to be running.
- Youth Board Meetings involve discussing a range of issues with Youth in Papunya who are the most engaged with the program. Youth Boards aim to promote leadership and support young people to problem solve and make decisions. Papunya Youth Board decides which activities will take place throughout the week.
- Bush Trips run regularly and involve hunting for bush tucker, swimming, cooking camping etc.
- Throughout this reporting period the youth program has been running weekly Tjilirra bush trips with the young men. This has been done both independently and in collaboration with Men's Tjilirra Movement. These trips have involved making tools such as boomerangs and spears, often with the help of older men in community.
- MacYouth Papunya participated in the exchange trip to Melbourne with the Glen Iris football team. Nine young fellas travelled to Melbourne for 1 week for a football and educational experience. The activities included visiting the Melbourne Cricket Grounds, the Melbourne Jail, Gunnamatta Beach, Football Games, Bounce and more.

- As part of the exchange, the Glen Iris football team travelled to Papunya and spent a week engaging with the Youth Program. This involved bush trips, football games, hunting for bush tucker and a trip to Mt. Liebig, all in collaboration with MacYouth and the young Men and Women of Papunya.
- With help from local elder Lesley, the MacYouth program took 6 young males to Kalinyarra, a sacred site 2 hours from Papunya.
- In collaboration with the clinic, the youth program worked to help a number of young men receive male health checks.
