13 GENERAL BUSINESS AS RAISED AT ITEM 7.1

ITEM NUMBER:	13.1
TITLE:	General Business

EXECUTIVE SUMMARY

Under item 7.1 Members had the opportunity to table items to be discussed as General Council Business.

OCM2024-50 RESOLVED (Dalton McDonald/Andrew Davis)

That Council notes and discusses the matters raised at Item 7.1 as follows:

GENERAL COUNCIL BUSINES

- There was significant discussion around the sponsorship of the AFL football teams in MRC communities. It was agreed that the teams in Titjikala, Papunya, Hermannsburg, Areyonga, Santa Teresa. Amoonguna, Finke and Kintore would be supported. The level of support will be determined in discussion with the Elected Members.
- It was agreed that all guernseys will include the MRC logo and that the message of MRC support for "No Violence" must be conveyed. Reports of violence at games could jeopardise MRC's ongoing support.

MINUTE NOTE: The meeting broke for lunch at 12.07pm and resumed at 12.47pm.

- **LOGOS** - members considered the idea of introducing symbols on signage for each of MRC's wards. The Executive Manager, People and Capabilities, will draft some imagery to be presented at the next Ordinary meeting of Council.

- Members discussed the idea of there being a combined CDRC/MRC AFL game to be played as a curtain-raiser prior to the main AFL game at Traeger Park Oval. The Technical Services Director advised that the AFL is happy to consider the idea for next year. Other items considered were the numbers required (24 in a squad/3 per community) with Youth to be engaged to provide support. Crs Davis, Inkamala, McDonald and Poulson will work on this project with the CEO.

GENERAL NON-COUNCIL BUSINES

- Maryvale/Titjikala Road - The Director Technical Services has previously been in contact with the NTG regarding the sealing of this road with the response being that there will be no more sealing, other than what has already been completed. The rationale provided by the NTG has been challenged on the basis that other roads have been constructed which are in similar situations but there has been no reconsideration by the NTG. This issue will continue to be pursued into the future until satisfactorily resolved.
- It is the view of Members that the Aboriginal Liaison Officers in MRC's communities don't receive sufficient training. The CEO is to contact NT Police regarding what training is provided and how many ALO's there are in each MRC community.
